Workshops & Seminars

If It Isn't Written Down, It Didn't Happen!

Location: HBUHSD, Board Room

Presenter: Kathleen Whelan Gioia, M.S., M.Ed.

November 16, 2017 8:30-2:30

Diagnostic Education Specialist

(Sign in begins at 8:00)

Diagnostic Center, Southern California

What is it about?

This workshop focuses on data collection, documentation strategies, and proven techniques to track student progress. Attendees will become familiar with effective strategies that support Educational Benefit. Learn to work "smarter not harder" and how to set the stage for successful IEP meetings.

Participants will receive materials to begin the documentation process and to support teachers' compliance responsibilities required to implement the IEP.

Who should attend?

It is geared toward Special Educators, Program Specialists and Administrators

Outcomes:

1. Review Best Practice techniques for documentation
2. Learn to prepare for effective IEP meetings
3. Implement documentation strategies that support Educational Benefit
4. Learn how to systematically monitor, review, and analyze student growth over time
5. Learn strategies to inform parents of their child's educational progress
