Acceptable geographical areas for fieldwork

What populations are you most interested in working with? (autism, adult aphasia, severely emotionally disturbed, learning disabled, TBI, etc.)

What are your academic strengths and weaknesses?

If you have worked under supervision in a clinical setting prior to this application, describe your strengths and weaknesses when it comes to your involvement in service delivery.

What form of supervision helps you to work best? (observation and modeling, verbal feedback, written feedback, etc.) Please also comment on your preferred learning style.

List skills and experiences relevant to the field of Communicative Disorders or the hospital and/or school environment. (List volunteer and/or work experiences)

What experiences of exposure do you have in working with multi-cultural populations? (Include your proficiency in bilingual skills and relevant coursework pertaining to cultural/linguistic awareness.)

Please comment on your time management skills.

Please list the coursework taken as part of your training as a Speech-Language Pathology Assistant. (both here at PCC and at other colleges or universities)

What are your professional or work objectives when you complete your Associates degree? (Be specific as to populations you would like to work with and the type of facility in which you hope to work).
