Anyone desiring to address the Committee may request to do so at this time. Three minutes will be allotted each person. As a reminder, according to the Brown Act, public input is welcomed, however, it is important to understand that the committee will only listen to input and is not to respond to the speaker as this is a meeting in public, not a public meeting. Comments made by the public can be taken under consideration for future discussion as a potential agenda item in a meeting in the future.
