ABOUT THE TOPIC:

This training will focus on reviewing best practices in completing Functional Behavioral Assessments, including legal requirements. This training will also focus on completing Positive Behavioral Intervention Plans and the information that needs to be included to ensure the plan achieves its intended outcome.

INTENDED AUDIENCE:

- School Psychologists

LEARNING OBJECTIVES:

1. Participants will gain knowledge of Functional Behavioral Assessment legal requirements.
2. Participants will gain knowledge about information to include on the Functional Behavioral Assessment to ensure that assessments are comprehensive.
3. Participants will gain knowledge about information to include on behavior plans to make the quality of the plan achieve its intended outcome.
