## ABOUT THE TOPIC:

This training will focus on understanding the legal framework behind writing IEP goals, developing measurable baselines and goals, and steps to writing defensible goals.

## INTENDED AUDIENCE:

- Certificated special education staff

## LEARNING OBJECTIVES:

1. Learn about the legal framework behind writing IEP goals to meet the current substantive obligation under the FAPE standard.
2. Analyze the IEP process component of goal development.
3. Gain knowledge about steps for writing measurable and defensible goals.
